

Alaska Heat Smart Financial Assistance Application

This application is for home heating and electrification assistance. Alaska Heat Smart can provide heating, health, and safety improvements to your home at little to no cost to you.

Fill out this application and we will find the best financial assistance program for your home!

Supporting Documents:

Along with this completed application, you are required to submit income documentation paperwork in order for your application to be considered. See below for a list of documents needed. Once we receive your application, we will send you an email with a link to a secure file portal for your document upload.

All supporting documents should be scanned and uploaded to the portal link that we will email to you. If you choose, copies of your documents can also be mailed to:

AK Heat Smart, Box 20912, Juneau, AK 99802 or brought by our office at 9360 Glacier Hwy, #202.

Please call 907-209-5717 in advance if you plan to drop documents off at the office.

Required Documents:

- Driver's license or state identification card for 18 and over
- Birth certificate or legal ID for 17 and under
- Most recent checking/saving bank statements for each account
- One month of most recent paycheck stubs (all wage earners)
- Statements from PERS, TRS, deferred compensation, 401k accounts, or other retirement holdings
- Documentation of any other income sources and any assets including second home, rental income, side business, etc.
- Fuel oil data for the past 3 years
- A floor plan of your home (can be a rough sketch but locations of rooms and stairways plus outside dimensions are very helpful)

If Applicable:

- Current social security/disability award letter (if applicable)
- Current pension/annuity letter (if applicable)
- Court-ordered child support statement (if applicable)
- Unemployment income (if applicable)
